

## A Letter from the Pastor

The history of Temple Baptist Church is one filled with many blessings that have come straight from God. He has had His hand on this ministry from the very beginning. I am grateful for the founding pastor, Bro. Frank Wood. He listened to a calling from God, and he acted upon it strictly by faith. Temple Baptist Church still to this day, has the same convictions, standards, and spiritual burden that it was founded upon.

I would like to thank God personally for having the wonderful opportunity to be called the pastor of Temple Baptist Church. Since June 26, 2005. We have all experienced a hint of revival. We have seen many wonderful works and blessings, and many people have been saved. We can accredit all of this to no one but God.

My prayer is that our church always be one that points people to Jesus.

I hope that you enjoy our new directory. It will help you learn our Church family better. I love and pray for each and every one of you every day.
